

## 24 Macqueen Street Aberdeen NSW

3  1 

This 3 bedroom weatherboard cottage sits on a flat 910sqm block directly across from Aberdeen Golf Course and a short walk to Aberdeen Newsagency. Internally the home is definitely in need of renovation but the main structure has good bones to make a cute cottage. There are original wide floorboards throughout the 3 bedrooms, hall and living area. You will need a new kitchen, bathroom and laundry. The container in the photo's is NOT included. The home does have extensive termite damage in the back section and the house sits on a corner block on the New England Highway and Hall Street.
